

Green Practices  Organic/Natural

Residential

Made in USA Factory Direct Durable Construction User/Tenant Tough Products

Scope: Homeowners have access to one of the only factory direct sources for drapes and blinds. **American Draperies & Blinds, Inc.** manufactures window treatments suitable for the finest homes. By eliminating the middlepersons (e.g. outlets, stores, etc.) and buying direct from our factory, we can pass enormous savings on to you. *Often, you can save 50% to 80% off retail prices.* Our **"American Made"** products **keep Americans working.** We produce a full array of window coverings including drapes, energy-saving insulated drapes, light filtering privacy sheers, drape rods and hardware, *eco-friendly natural products*, Hercules horizontal mini-blinds with a **"Lifetime Warranty"**, vertical blinds, roller shades, wood and faux wood blinds plus much more.
